CIA INTRODUCTION

On 24 February [REDACTED] presented this program for 33 persons.

NSA BRIEFINGS

On 25 February a conference was held with [REDACTED] OCI Briefing Officer, to coordinate the two CIA briefings in NSA's Senior Officers' Course. In the past the CIA Orientation and Briefing Officer has opened this course with a three-hour discussion of the NSC; the IAC; and CIA's mission, functions, and organization. In the discussion of CIA the emphasis has been on the DDP, the treatment of the DDI being limited to identifying various offices there. The DDI coverage has been limited in order not to encroach upon OCI's subsequent presentation in this course. OCI now wishes that the DDI be completely covered in the OTR Orientation and Briefing Officer's presentation so that they might take off from there and concentrate on a presentation on the use made by CIA of NSA's material. This presentation will be given by representatives of OCI, OSI, and ORR.
